

SAMSON

Judges 13-16

June 12, 2022

THEOLOGICAL MOMENT: NAZIRITE VOW

- Abstain from wine or any fermented drink, nor to drink grape juice or eat grapes or raisins, not even the seeds or skins.
- The Nazirite was not to cut his hair for the length of the vow.
- Not to go near the dead, because that would make him ceremonially unclean.

DECISION MAKING

- It is always wise to have an objective set of eyes helping you to make big decisions.
- Our own appetites and desires can mislead us, causing us to overlook important details about the long-term viability of a decision
- The key is to invite input from wise Christian people we trust and respect, and then to seriously consider their point of view.
