

## ATTITUDE OF GRATITUDE

Luke 17:11-19

November 20, 2022

**BIG IDEA:** Our lips and lives should be gripped by gratitude.

### THE CRY (vv. 11-13)

Common misery can often break down barriers.

We must never overlook the outcast.

### THE CLEANSING (v. 14)

We must take steps of faith.

Faith requires obedience.

### THE CELEBRATION (vv. 15-16)

Rituals will not always lead to praise.

Thanksgiving is expressed by word and deed.

### THE CONTRAST (vv. 17-19)

A darkened heart can lead to unthankfulness.

Spiritual healing happens when we submit to Jesus.
