

## BENEFITS OF BETTER LISTENING

James 1:19-27

June 2, 2024

**MAIN IDEA:** Better hearing becomes better doing.

### BENEFITS OF BEING A BETTER LISTENER OF GOD AND HIS WORD (vv. 19-21)

When God speaks through His word, we are experiencing God.

Listening to God equips us to minister to others.

God's Word makes the simple into the wise. (Acts 4:13)

### BENEFITS OF DOING AS WELL AS HEARING (vv. 22-25)

Verse 25 says "he will be blessed in his doing."

### DOING BECOMES SOMETHING AMAZING (vv. 25-27)

This is where we go way above and beyond.

We let our light shine.

Our hearts are wide open.

Here I am. Send Me!

*"Find a need greater than your own and go fill it."*

### POINTS TO PONDER:

What's your first step in becoming a better listener?

Which Scriptures do you need to start DOing your life?

Where is there a need greater than mine that I can fill?
