

BIG IDEA: We must understand both the kindness and severity of God.

THE BRONZE SERPENT (Numbers 21:1-9)

We must set our eyes upon Jesus - the One who was lifted up. (*John 3:14-16*)

True confession is admitting that what I have done is wrong, and being specific.

BALAAM (Numbers 22:1-25:18)

God is serious about His promises.

We may expect anger or rage from those who are opposing God's will.

We must be aware of the seduction of immorality (*Revelation 2:14*)

THE SECOND CENSUS (Numbers 26:1-65)

God is looking for faithful people to follow Him.

JOSHUA APPOINTED AS SUCCESSOR (Numbers 27:12-23)

Faithfulness as a follower can put us in a place of leadership.

WAR AND LAND INHERITANCE (Numbers 31:1-36:13)

God does not deal lightly with those who entice His children into sin.

Everyone is called to be engaged in the battle.
