

**THE PROBLEM:
THE REALITY OF SIN**

Romans 3:23, 6:23

April 6, 2025

BIG IDEA: Sin brings death and destruction.

THE UNIVERSALITY OF SIN (Romans 3:23)

No one is exempt.

God's glory is the standard by which we are measured.

We are sinners by nature and by choice.

THE CONSEQUENCES OF SIN (Romans 6:23a)

Sin earns us death.

Sin not only has eternal consequences but also damages our lives in the present.

MAN'S INABILITY TO SOLVE THE PROBLEM

Good works cannot save us.

Religious rituals fall short.

Human effort is insufficient.
