

**THE CALL OF ISAIAH:
A VISION OF HOLINESS**

Isaiah 6:1-8

May 11, 2025

BIG IDEA: God's holiness humbles us and cleanses us for serving.

A VISION OF GOD'S HOLINESS CHANGES EVERYTHING

Holiness is God's otherness — His moral perfection and complete purity.

Encountering God's holiness reorients our lives around His glory, not our own.

AN HONEST CONFESSION PREPARES US FOR GOD'S WORK

God's light not only reveals His beauty but also exposes our corruption.

Only those who confess and receive cleansing are prepared to serve God.

A CLEANSED HEART LEADS TO A WILLING RESPONSE

When grace touches our lives, our hearts are freed from fear and selfishness.

Service is no longer a duty — it becomes an act of worship.

"The world has yet to see what God can do with a man fully consecrated to Him."

– D.L. Moody
