

**MIRACLES OF JESUS:
THE MAN WITH LEPROSY**

Mark 1:40-45

February 20, 2022

BIG IDEA: Only Jesus can cleanse us from our sin-sick lives.

THE SICK SINNER (v. 40)

Just like sin...

Leprosy is deeper than the skin. (*Leviticus 13:3*)

Leprosy starts out small and then it spreads. (*Leviticus 13:7*)

Leprosy defiles and isolates. (*Leviticus 13:44-46*)

Leprosy destines things for the fire. (*Leviticus 13:51-52*)

THE COMPASSIONATE CHRIST (vv. 41-42)

The leper was desperate but hopeful.

Jesus met his emotional needs.

Jesus met his physical needs.

THE DEMAND AND DISOBEDIENCE (vv. 43-45)

Jesus wanted people to follow the message, not the miracles.

Jesus honored the law.

The blood of Christ purifies us from all sin.
