

BIG IDEA: Discernment must be developed as a believer.

TWO BASIC NEW AGE BELIEFS

Evolutionary Godhood (*Genesis 3:1-5*)

- It will be spiritual, not physical.
- Mankind will soon experience spiritual enlightenment – The Christ principle. (*Proverbs 3:5-6*)
- Man's basic nature is good and divine. (*Romans 3:9; Ephesians 2:3*)

Global Unity (*2 Corinthians 2:11; 4:4; 11:14*)

- Man with Man (*Genesis 11:1-9*)
- Man with Nature (*Genesis 1:26*)
- Man with God (*Romans 8:8-11*)

THE NEW AGE VIEW OF SALVATION AND JESUS CHRIST

Salvation is to be in tune with the divine consciousness. (*Acts 4:12; John 14:6*)

There is no need for a redeemer like Jesus since man is not sinful. (*1 John 1:8*)

Christ is a cosmic consciousness.

Jesus is an ascended master.
