

BIG IDEA: God's work is never accomplished by human effort but only by divine enablement.

FREEDOM IN THE SPIRIT (Romans 8:1-4)

The death of Christ has delivered us from condemnation.

Sin was condemned in the flesh when Jesus suffered the penalty of death in the flesh.

HAVING THE RIGHT MINDSET (Romans 8:5-8)

A flesh mindset leads to death and is hostile to God.

A Spirit mindset leads to life and peace.

THE INDWELLING OF THE SPIRIT (Romans 8:9-11)

If we have been justified by faith, then we have the Spirit dwelling within.

The Holy Spirit will raise our mortal bodies at the final resurrection.

HEIRS WITH CHRIST (Romans 8:12-17)

Christ's death has set us free from sin's power over us.

God desires to put in our heart an assurance of salvation through this witness of the Spirit.
