

ISRAEL'S UNBELIEF

Romans 9:30-10:21

Sept 26, 2021

**BIG IDEA:** God's sovereign choice and people's responsibility work together to carry out God's plan.

## RELIGION AND RIGHTEOUSNESS (Romans 9:30-33)

Righteousness is attained by faith.

Christ is either a foundation of faith or a stumbling block.

## ZEAL WITHOUT KNOWLEDGE (Romans 10:1-4)

We should pray for those who are not saved.

Rejection of the truth is ignorance.

## TWO WAYS OF SALVATION? (Romans 10:5-13)

To be saved by the law would require perfect obedience.

Salvation is available to all who believe in faith.

## DUTY AND BEAUTY (Romans 10:14-15)

God has called us to go and share the gospel.

There is beauty in the partnership of proclaiming the gospel.

## REJECTION AND RESPONSIBILITY (Romans 10:16-21)

Ignorance cannot be an excuse for those that have heard the gospel.

People must take responsibility for their rejection of Christ.
