

BIG IDEA: What we choose to believe can either bring freedom or slavery.

THE DEPRAVITY OF FALSE TEACHERS (vv. 10b-16)

These false teachers were prideful.

These false teachers were lustful.

These false teachers were greedy.

THE DECEPTION OF FALSE TEACHERS (vv. 17-19)

They promise what they cannot give.

They offer freedom but are slaves to corruption.

They mix truth with lies to entice others away from the faith.

THE DANGER OF FALLING AWAY (vv. 20-22)

Destruction awaits false teachers.

Don't allow anything to master you.

Don't become entangled again in worldly things.
